- Classroom preparation and upkeep

Qualifications

- Strong communication, organizational and interpersonal skills.
- Experience teaching or assisting in a Waldorf Early Childhood program.
- Completion of Waldorf Early Childhood training from an accredited institution.
- Early Childhood Teacher Qualification from the Colorado Department of Human Services, Division of Child Care.

Boulder Valley Waldorf School, founded in 1993, is a Pre-KG through Eighth Grade School in Niwot, Colorado. We are a full WECAN member and a Developing School on the path to AWSNA membership with many opportunities ahead.

The school, located in Niwot, Colorado, midway between Boulder and Longmont, is set on a five-acre campus within 38 acres of agricultural-zoned land. This setting provides a wonderful rural atmosphere for festivals and community life, and contributes substantially to a rich curriculum supported by enthusiastic and experienced teachers, devoted, hard-working parents, and a healthy, energetic student body.

We are blessed with a breathtaking view of the Front Range and the Continental Divide, and are supported by enrollment from Niwot, Longmont and Boulder and by over a half dozen communities within easy commuting distance.

In addition to Anthroposophical communities in Boulder and Denver, the Front Range metro area supports five elementary Waldorf Schools, three Waldorf high schools (two of which are in Boulder), several independent Waldorf Kindergartens and numerous Waldorf home and day groups, plus a variety of Anthroposophically-based and Waldorf study groups and initiatives.

Please send resume, a general letter of interest, short biography and three references to
