

Nineteenth Annual Holiday Wreath Fundraiser

The winter wreaths are hand-tied in beautiful Colorado with locally-sourced boughs and environmentally friendly methods that keep trees healthy. No trees are ever cut down nor are old growth trees used in the process. Boughs are comprised of 100% Douglas Fir, chosen for its freshness and longevity. Each natural, fresh evergreen wreath is finished with pinecones and a red velvet bow. The scent is amazing; they will last for weeks outside! As the wreaths are locally-sourced, there are no shipping costs. Therefore, 100% of profits from the wreath sales will support our school operating expenses.

18" Wreath: \$27 | 26" Wreath: \$35
