

FIELD TRIP DRIVERS

Please be advised that any parents driving for field trips must complete steps 1-3 below. It is a good idea to complete this process ahead of time, such as at the beginning of the school year, if you think there is a chance you will be driving for a field trip.

1. Check You Meet Minimum Auto Insurance Coverage Required

\$250,000 in liability coverage per person, \$500,000 per accident, and \$100,000 in property damage liability.

2. Auto Insurance Declarations Page

Please submit copies of your current, non-expired auto insurance declarations page to the BVWS Office.

Please note that if you are on a 6-month renewal and you submit copies to drive in the fall, you may have to submit new copies to drive again in the spring, depending on your renewal schedule.

3. Driver's License

Please submit copies of your current, non-expired **COLORADO** driver's license to the BVWS Office. You are welcome to stop by the office to do this - we are happy to make a copy.

As always, please contact the office with any questions at 303-682-0130 or email us at office@bvwaldorf.org Thank you so much for helping with the BVWS Field Trips!!
